

N.E.mation!

TOGETHER WE KEEP SINGAPORE STRONG

About N.E.mation!

N.E.mation! is an annual competition for youths to express their personal ideas on Total Defence through animation. In N.E.mation! 2019, we are inviting students from secondary schools (aged 13 to 16) to once again put on their thinking caps, unleash their creative juices and express themselves by submitting engaging and compelling stories.

The ten shortlisted finalist teams will receive animation training to convert their story ideas into 30 seconds animation clips. They will also get to see their clips broadcasted onto media platforms.

Story Clinic Sessions (For Student Category Only)

Free Story Clinic Session will be organized to equip students and teachers with valuable story creation skills and storyboarding techniques during the registration period. There will also be sharing of case studies and ideas on the competition theme, with experienced animation instructors offering insights and tips on story generation.

1. Public Story Clinic Sessions

The public sessions are designed to help participants in their story creation for the competition. The emphasis will be on understanding and interpretation of the theme to derive compelling animation ideas through one-on-one consultations with the animation instructors.

Interested teachers and students can sign up on a first-come-first-served basis at <https://www.nemation.sg>. Details of these Public Story Clinic Sessions will be available from 11th Jul 2018.

2. Private Story Clinic Sessions for Individual Schools

These private sessions for individual schools will be specially conducted for schools that can commit a minimum of 40, or up to a maximum of 50 students for the competition. Schools are required to provide a computer lab with internet access as the venue for the sessions. By the end of the 4-hour clinic, each team will have at least 1 story ready for submission!

Each school is limited to 1 clinic on a first-come-first-served basis. We are providing private sessions for up to 30 schools only, so hurry and register now by filling in the attached reply form!

Note: All Story Clinic Sessions are provided **free-of-charge**. As vacancies are limited, please register only if you are committed and able to attend so as to be fair to others.
